## Mend Programme

The NHS are running a new MEND programme from 28th September at Stubbers Outdoor Centre and have spaces available.

The MEND programme is a great way for children aged 11-13 to make new friends, learn how to eat healthily, and take part in fun, new exercise. Based at Stubber's Outdoor activity centre in Upminster, there's even the chance to take part in activities like wall climbing, boating, and orienteering for free!

The Mend Programme gets children healthy and fit in only 10 weeks and helps them stay that way! 20 free fun sessions for children who are above their ideal weight. Parents and Guardians can get involved too.
