

CORBETS TEY SCHOOL WEEKLY NEWSLETTER

10th July 2009

Family Fun Day

Thank you to Michael Preston who has raised a further £1000.93 towards his target of £5,000 at the Family Fun Day at the White Heart Pub in Upminster on Saturday. Michael will be trekking up Kilimanjaro in October and is busy training for this event as well as fundraising for the benefit of the school. We are very grateful to him for his wonderful efforts.

Speakout DVDs

Everyone who has ordered DVDs should have now received them. If you have not please contact Susan Cumbers at the school. We do have some DVDs left so if you would like to submit an order, please do so while we still have some available.

After School Club Swimming Lessons

The after school swimming lessons have now resumed after a break due to illness. If your child was not previously attending a session but you would like to register with Cridders to start after the summer holidays please ask for a registration form. We will then make sure that Vivien from Cridders Swim School gets your details so that she can arrange sessions for next year.

A light newsletter this week as the Ofsted inspection has taken up so much time. Full service will resume next week.

The results of our inspection will be communicated in the near future.
