Tony Cottee To Open New Senior Playground

We are extremely pleased to announce the completion of the new playground equipment in our senior playground. The School council have been central to the decisions and planning involved in the initial design of what was finally included. We are delighted with the result and to celebrate, we are holding a grand opening ceremony/Assembly on **Monday 16th November at 10am**. Tony Cottee will be cutting the ribbon to open the playground and all parents are very welcome to attend. This facility cost £46,000 and has been funded by the PFA and from grants from The Breakaway Charity, Garfield Weston Foundation and The Variety Club.

Christmas Panto

The whole school will be watching this year's pantomime by the Big Foot Company—Pinnocchio. This has been funded by the PFA to whom we are very grateful. This event enables all children to access the experience of seeing a pantomime without the anxiety that comes with visiting a real theatre. We are very grateful to the PFA for continuing to fund this event each Christmas for many, many years.

Girls' Night Out

Ladies, you are all cordially invited to a Christmas Night Out visiting any number of venues in the Hornchurch area on **Friday Evening, 4th December**. If you would like to come, you would be more than welcome. For further details or to register an interest, please contact Sue Cumbers on 07920 514576 or Gill Portch on 07704 278686
