Corbets Tey School Newsletter

Summer Activities

Don't forget to book for Havering Summer Uni sessions during the summer holidays. Booklets explaining what activities are available were recently sent home. Spaces are limited for these sessions so you will need to act quickly if you want a place for your child.

There are three different schemes for age ranges:

8-11, 11-15 and 16-19

Also, all those who have registered with the Family Information Group (FIG) for the summer playscheme should have received notification of their allocated days. If not you can contact the FIG office to check on 01708 378141.

Speakout Havering

Speakout Havering is taking place next Wednesday. This is a whole school, whole afternoon event for pupils but unfortunately we will be unable to accommodate parents attendance due to the limitations of parking and the timing of the arrangements.

There will be parties and fun for the pupils in the afternoon and they then will go home as normal.

Opera Fundraiser

A fantastic opera evening was held on Friday 12th June for all those wanting to escape the football match that was also on that night.

Joanna Skillet from Speakout sang with other opera singers at the Upminster Methodist Church to raise funds for the church and also for Corbets Tey School. The total raised was approximately £2,500, with half going to the school. Thanks to Joanna for her continued support.

Swimming

You will be receiving two forms in the next few weeks to register for swimming sessions at Corbets Tey School.

One form will be for sessions in the **Autumn Term**. All those already attending the swimming sessions regularly during this term will be assumed to want to carry on next term at the same session time unless we hear differently. New attendees should send in a completed form and payment.

The second form is for sessions during the **Summer Holiday period**. This will provide an idea of demand and we can create and allocate sessions accordingly.

Calling for all Vouchers

The Tesco and Sainsbury voucher schemes are ending soon but we can still accept any vouchers that you may have lurking in your purses/bags. Please remember to send them in as soon as you can so that we can include them in the total collected.

Lost property

A child has lost an England cap recently. It has a child's name written inside. If you have any information on it's whereabouts, please could you contact your class teacher through the diary system so that we can return it to the owner in time for the remaining England matches!

Dates For Your Diaries

SPEAKOUT! Havering Wed 23rd June

Sports Day Friday 1st July
