English Touring Opera

Maple and Beech Class children have been working with a team from the English Touring Opera this term. The sessions have been extremely successful; and have provided a wonderful opportunity for all of the children to take part in a performance where everyone has a part to play. All ideas for the final performance, presented to all of their parents on Thursday this week, were generated by the children during the sessions this term. The children's confidence has been developed and enhanced by the wonderful activities including singing (including solo performances), dancing and playing musical instruments. There will be photographs available after the half-term holiday and possibly a video!

We wish you a lovely, peaceful half-term holiday break.
