

# CORBETS TEY SCHOOL WEEKLY NEWSLETTER

20<sup>th</sup> March 2009

## Neil Collins Visits School

Ex Pupil, Neil Collins, visited the school on Monday this week to tell the children about his travels around the world competing in the 800 and 1500 metre running events representing both England and Great Britain. He has visited Brazil, Australia, South Africa, France, Holland, Germany, Tunisia, Portugal, Spain, Hungary, Poland and Sweden amongst other countries. He is about to compete in France in May this year as part of the English Team and in The Czech Republic in July for Great Britain. Neil and his brother Tony usually always reach the finals in their competitions and are usually placed in the top 8 of their events. They have reached this high level in their sport from very humble beginnings by attending local clubs such as the Athletics Club mentioned in last week's newsletter, which takes place at at Hornchurch Stadium every Wednesday. This club is hugely under attended by children with learning disabilities and could be the start of a lifelong theme for many children who can develop some life-changing interests and skills. Please telephone the coach Natalie on 01708 433818 for more details.
