Marathon Runners News

Vicky Moriarty and Graham Pitt are running in the Marathon to raise funds for the school on Sunday. Vicky would like to invite parents and friends to meet at the 19th Mile of the race at the Cat & Canary Pub, near Canary Wharf Station, about 1.30pm to 2pm.

Her sister and Owen will be there to cheer her on. Vicky now has a Justgiving website where you can donate to the cause at www.justgiving.com/victoria-moriarty

Anthem Night - Volunteers Needed

There has been no response so far to the call for help for the Anthem Band Night at the school. We would be grateful for offers of any amount of help.

These events are popular but require a small amount of volunteer involvement to make sure they go smoothly.

We need someone to organise the ticket sales and a small group to set up the tables at the start of the evening and to help to clear up at the end of the night. Please contact Sue Cumbers if you can help.

Thank You to all of our Benefactors

Two visitors from Investec Bank visited the school on Wednesday and presented the children with a cheque for £3622 towards developing the library facilities in the school.

The PFA were also pleased to receive a cheque of £500 from Liddell Solicitors in Gidea Park towards this project. The Claire-Louise Memorial Fund have also pledged £630 and Michaels Cleaning have promised £100. We are very grateful for these generous donations, which will help to transform the learning opportunities in the library area.

Nigel Woffindin hosted a fundraising event in Watford on Friday as President of the Insurance Institute. Monkey See played at the event and Nick Portch has generously donated his £200 fee for playing in the band to Ash Class.

We are really grateful for Nick's continued support of the school.

Come to The Engine Shed

The Engine Shed is a monthly 'train club' for children on the autistic spectrum and their families run by two mothers of children with ASD.

Open from 1pm to 4pm at Romford Essex YMCA, on the last Sunday of each month (please check website www.theengineshed.org.uk for directions and any changes where clashes occur with bank holidays etc).

Model railways and train sets for all abilities will be set up and a range of train-related resources will be available for children to play with. There is no charge!!

Email: sarahsnowuk@yahoo.co.uk or Text: 0796 935 4406 for further details or to book a place.

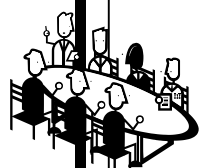

Romford Autistic Support Group (RAGS)

RAGS would like to invite you to their AGM on the 26th April at 6.00pm at Ravensbourne School. They have a special guest speaker Tee Randle, a woman in her 30s who has hi-functioning Autism and lives independently in Havering. Tee will talk or 'freestyle' about her experiences living with Autism.

They are seeking to recruit additional volunteer committee members. Previous experience of serving on a committee is not as essential a requirement as enthusiasm and interest to help RAGS grow and develop as a group to support children and people with autism and their families.

The supermarket voucher scheme is ending soon so please remember to send in all of the vouchers you have collected for us. Thank you.
