Summer Ball 2010

The Summer Ball was held on Monday 12th July at the Romford Golf Club. Year 11 pupils and Staff had a wonderful evening with dinner, dancing and cabaret. Pupils travelled in style from school by Limousine to the Golf Club.

The PFA have again kindly agreed to subsidise the cost of this event. We are grateful to the Romford Golf Club for supplying the venue at a very competitive price.

This event was organised by Anna Gorman who has done a wonderful job in making sure the evening went smoothly. Palm Class pupils have all been busy designing the stationary for this event during their weekly ICT lessons. Joe Myatt's design was chosen to be the official invitation.

This event marks the pupils' transition to their post 16 education and will give pupils the opportunity to say goodbye to the teachers and teaching assistants directly involved in their school life.

We will be shortly writing to leavers and their parents with an invitation to the special 'Leavers Presentation Evening' which will take place early October.

Public Spending Consultation Website

On Friday 10 July, the new government launched a website to let the public have their say about public spending under a spending review.

The Government will be looking at the responses over the summer, so that they can publish their decisions in October. The discussions and decisions taken will determine how public money will be spent for the next four years.

This is a critical time, and the decisions taken now will affect families with disabled children for the next few years. There is a real opportunity to make your views heard about the importance of investing in and protecting services for disabled children and their families.

Just go onto the website <http://spendingchallenge.hm-treasury.gov.uk/> and post your comments on what you think future government spending should focus on and what matters most to you and your family.

Happy Summer Holidays

We wish everyone a lovely Summer Break. Thank you for all help and support given over the last year.

We look forward to welcoming pupils back after the holidays.
