

Arts Projects for Schools - Summer 2009

We shall be joining in with the School's Art Project during the Summer Term this year. Pupils will create a piece of art in school which can be reproduced in full colour on T-shirts / Tea Towels / Shopping Bags or Mouse Mats. Please look out for order forms and more details to follow. Any items ordered should be ready for delivery at the beginning of July.

Flora Tokens

A reminder that the school is collecting the tokens from Flora packs. We have only had a few in so far so if you do see these on your butter tubs, please send them in to the school. Sue Long would also appreciate any help in counting Supermarket vouchers. If you have some time free, please let her know. Thank you.

Car Park Works

The large step between the two different levels in the main front car park area is to be tarmaced over to create a slope. This should be completed within the next two weeks so please take care when walking or driving in the car park area. A ramp will also be installed at the main entrance to the car park over the half term break. This is to ensure that cars slow down upon entering the school. Both of these works are for health and safety reasons to prevent accidents within the school.

New Havering Carers Service

A Carers Information Service has been in operation from 1st April 2009. It is available to all havering carers and provides a range of information to help carers identify the right agencies and services to support them in caring role. You can contact the service on 01708 722700 between 9am and 4pm from Monday to Friday.

Sponsored Kilimanjaro Trek

A local man, Mr Michael Preston, is going to walk up Kilimanjaro in October 2009 to raise funds for the school. He has no personal direct link with the school but would just like to raise funds to help our children. Michael has set a fundraising target of £5,000 and will raise this from holding many different events and activities over the next few months as well as training for the walk. We are very grateful to Michael for his generosity, kindness and enthusiasm in helping the school in this way. He has a fundraising page on the Justgiving website where you can sponsor him at www.justgiving.com/michaelpreston1. Please help him to help our children.
