Corbets Tey School Newsletter

Multi-Cultural Week

It has been multicultural week here at Corbets Tey School and classes are studying aspects of their chosen country. The classes have chosen the following countries:

Holly Class has been Kenya, Elm Class has been America, Oak Class has been Japan, Maple Class has been China, Beech Class has been England, Willow Class has been Jamaica, Hazel Class has been Peru, Ash Class has been India and Palm Class has been Italy.

If anyone can spare a few hours on Monday 1st March to support children on Round Robin Day, please just come in when you are able as we will need as many volunteer helpers as possible to take children to visit the different countries in the school. Thank you.

Missing Walkie Talkies

The school has unfortunately lost several walkie-talkie radios recently. These are used for emergency contact on the playgrounds during playtimes and lunchtimes. The lost walkie-talkies are two bright yellow ones and some may be black or blue.

We would be grateful if parents could be vigilant and maybe check to see if they could have slipped into a child's bag or pocket by mistake.

Great Daffodil Appeal

The school has a box for 'The Great Daffodil Appeal' for Marie Curie Cancer Care. We are seeking donations for this excellent cause.

If you are visiting the school at any time in the future, please see Sue Long in Reception if you would like to make a donation.

Easter Workshops for Years 5, 6, 7 and 8 Pupils

The Frances Bardsley School for Girls is running a programme of workshops for Year 5,6 7 and 8 pupils. The workshops will take place during the Easter Holidays.

Please contact your class teacher via the diary system to request an application form. The applications must be returned by Friday 12th March.

E-Safety

Thank you to all parents who attended the safety talk on Tuesday. We hope you found the information interesting and that you now feel much more informed when dealing with issues concerning keeping your children safe while using the Internet and using Electronic Communications.

The school website also has some information about this subject including a leaflet/flyer for parents. The website address is www.corbetsteyschool.org.uk and you will see the orange/red e-safety link at the top left of the page just under the main heading.

Dates For Your Diaries

Tues 23rd Feb to Mon 1st Mar - Multi-Cultural Week

Monday 1st March - Round Robin Day
