## Thanks to Nigel

Nigel Woffinden and colleagues came to visit the school on Wednesday this week.

Nigel was President of the Watford Insurance Institute this year and he named Corbets Tey School as his charity to receive funds raised from an auction and raffle held at a fundraising event in April this year.

Nigel presented the school with a cheque for £1,500.00. He and his colleagues enjoyed our singing and signing assembly and spent time with the children and young people in their classes. We are grateful to Nigel for his continued support of the school.

## Hazel Class at Stubbers

Hazel Class spent three days last week at Stubbers Adventure Centre on a residential stay.

They took part in many adventurous activities and learnt many new skills. They all had a lovely time. Thanks to all staff who gave up their evenings and nights to help look after the pupils.

A huge thanks to Martin and Theresa Edwards who both stayed for the entire trip to help and support the group but also have subsidised the cost of the residential trip, reducing the cost to parents substantially.

Have a lovely sunny half-term next week.

Children return to school on Monday 7th June.
