

Cookery room with Jess

In the cookery room there are stoves and ovens and a fridge and a table and storage cupboards. There are also some sinks, washing machine, kettle and microwave. We learn all about cookery and how to cook. We do cookery every other Tuesday with half of the class
We

learn about the products we are going to use in our cooking. I like cooking and do a lot of cooking at home. We get to taste some of the food we make and take the rest of it home. We get to taste some of the food we make and takes the rests home.
